Slaying the Dragons of Standardized Tests Testimonies

Sidney McLeod-Whitener & Vivian McLeod Our Mother of Consolation School "This was a phenomenal course. It allowed us to learn techniques for test taking and also brought us closer as a family by sharing our fears, goals and visions. It was a great experience and well worth the cost! Thank you, Dr. Pace." - Vivian McLeod

St. Agnes Sacred Heart School
"Slaying the Dragons of Standardized Tests
definitely was an excellent program that laid
out an excellent plan to be mentally prepared
for the exam and for our child to perform at
her highest potential. I highly recommend
this program."

- Brian Duffy

Michaela and John Coppinger Immaculate Heart of Mary School "Slaying the Dragons of Standardized Tests is a great class to take with your child. You both learn techniques that will enable your child to relax, focus, and perform better on tests. With both of you working together, the test does not stand a chance."
