

## ST. JOSEPH'S PREPARATORY SCHOOL: TWO MASTER STUDENTS

*Harry Kane, III and Daniel Brady caught my attention right away. I quickly recognized their dynamic intellects and eagerness to learn, including how to solve the most challenging problems on standardized tests, an arena that still--even after all these years--makes my eyes twinkle! As a result, whenever either of these young men were in my classes, I knew I was exactly where I wanted to be--with people who were awakened to life by learning and thinking!*

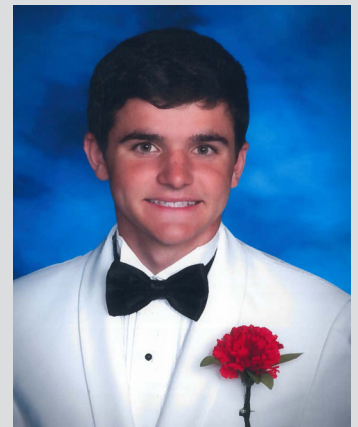

*Thank you, Tina & Harry Kane, II and Christy & Doug Brady, for raising such wildly wonderful children and for entrusting them to my care! And these two in particular--Harry and Daniel--certainly brightened my life for the years they were in my classes. I will miss them, certainly, and I will keep them, their talents, their siblings, and you, in prayers of unending gratitude, trusting that God is watching over you all.*

Dr. Pace

### Daniel Brady

We wanted to take a moment to express our deepest gratitude for the pivotal role you've played in our son's academic journey. Daniel followed in his brother's academic success, starting with Terra Nova Prep with Dr. Pace in grade school.

Daniel's recent achievements, obtaining first honors all four years in high school, attaining a perfect score in math on the SAT, and being accepted into Penn State Schreyer Honors College with its esteemed 8% acceptance rate, are a testament to his dedication and hard work. However, behind every success story lies a supportive mentor, and you have been one of those supporters for our son.

Daniel Brady

Your guidance, encouragement, and expertise have undoubtedly contributed to Daniel's growth and achievements. Your commitment to nurturing your students' talents, confidence, and providing invaluable insights into their academic pursuits have not gone unnoticed.

I cannot thank you enough for the impact you've had on Daniel's educational journey. Your passion for teaching and genuine care for your students shine through in everything you do, and we are incredibly fortunate to have had our son go through your educational programs since grade school.

As Daniel embarks on this exciting new chapter at Penn State, he will carry with him the invaluable lessons and guidance you've provided. Please know that your influence will continue to shape his future endeavors.

## Harry J. Kane, III

Harry J. Kane, III, is a senior at St. Joseph Prep set to graduate on June 2, 2024. Harry will be attending Syracuse University, S.I. Newhouse School of Public Communications with a Dean's Scholarship to study broadcast and digital journalism in the Fall. Harry has been an active member of the Prep Community throughout his four (4) years, with the culmination of his efforts being President of WSJP, the school broadcasting club. He is the feature editor for the Hawkeye, the student run newspaper and a member of the Mission and Ministry Executive Board. Harry has maintained all A's in his classes since Freshman year and was admitted into the National Honor Society for this accomplishment. He also achieved AP Honors with distinction for having a score of 3 or higher on at least 5 AP exams and have a minimum average of 3.5 or better across all AP exams. Harry will begin college with 9 credits earned from AP testing.

Harry J. Kane, III

Harry attributes his success to the study habits and time management learned from Dr. Pace. Harry has been attending classes with Dr. Pace since 6th grade, while at St. Mary's Interparochial School. Dr. Pace's tutelage allowed Harry to excel on Terra Nova testing and the HSPT exam which earned him an Ignatian scholarship to St. Joseph Prep. Recently, Harry attended SAT

Harry broadcasting St. Joe's Prep football this year at Salesianum School in Wilmington De. Prep won 42-0

Prep courses with Dr. Pace; not only did she reinforce the time management and study habits, she encouraged him to stay true to his faith and assured him that God would send the Holy Spirit to guide him. Dr. Pace's blend of academics and spirituality connected with Harry and sent him into the SAT exam with a serene confidence. Dr. Pace's approach to standardize testing allowed Harry to achieve a top score which when combined with academic achievements resulted in admissions to 11 universities including, Georgetown, Villanova and Boston University.

As he prepares to leave for college, he will carry with him the lessons learned from Dr. Pace, both academic and spiritual, armed with the confidence and serenity that she instills in her students.

God Bless Dr. Pace and anyone lucky enough to study with her. The Kane Family is forever grateful!
