"NEW" PAPERBACK EDITION OF COLORING WITHOUT LINES: ART OF THE NEW COVENANT

"MANY OF US HOLD A SECRET HOPE IN OUR HEART that something mysterious and beautiful waits quietly within us for its chance to live. For people like us, life becomes a journey, first to discover that magical gift, whatever it is, and then to nurture it and set it free to do good in the world. Occasionally, the nature of the gift totally surprises us because we were expecting something entirely different. Then suddenly, out of nowhere, a treasure appears...almost as if it had been looking for us. This book is about such a discovery, as well as my attempt to understand the mystery of it, spiritually and psychologically. In it, I write about how coloring without lines found me while I was searching for peace for my family, and then how this enchanted form of art, quite serendipitously, became the medium through which peace graced our lives. Ultimately, this is a story about coming home to family and to self."

- Patricia Sisca Pace, Ph.D.

PATRICIA SISCA PACE has a Ph.D. in psychology from the University of Southern California and a certification in spiritual direction from the Jesuit Center for Spiritual Growth in Wernersville, Pennsylvania. To cultivate the inner life of all those under her care, she incorporates aspects of psychology and spiritual direction in ground-breaking spiritual-academic programs, helping learners, and their families, take their talents seriously and perform at their best. She is the author of the book *The Last of the Dragon Slayers: The Ultimate Guides to Personal Best Performance*, and the CD *Tests, Learning, Talent: Slaying Dragons. Coloring Without Lines* profoundly illustrates how the spiritual world uses our creativity to break into reality and guide us to our own healing and wholeness, as well as to our work in the world. Fall 2017 Newsletter & Schedule

IN THIS ISSUE: NEW PROGRAMS FOR ADULTS, NEW PAPERBACK BOOK EDITION, NEW STUDENT SPOTLIGHTS

SPOTLIGHT ON 3 OF DR. PACE'S OUTSTANDING STUDENTS

Christopher McDonnell | Saint Joe's Prep

Photo taken from
Summer 2013 Newsletter,
after winning a
scholarship to The Prep

Dr. Pace,

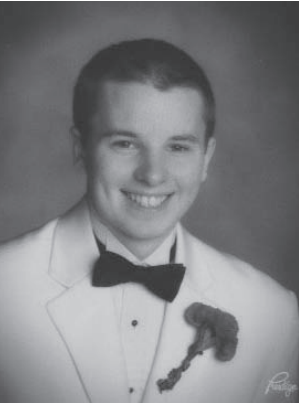

I would first like to thank you for all that you have done for me. My success is in no small part your doing and a credit to you and your courses.

I will be attending Carnegie Mellon University in the college of engineering (also called CIT - Carnegie Institute of Technology) with an intended major of Electrical and Computer Engineering (ECE). I was also accepted to UPenn, Pitt, and a few others. I was stuck between CMU and Penn for about three weeks (making my decision on April 28th) but ultimately concluded that CMU was better for tech.

I took the old SAT 4 times and did not take the new one. My first score was 1900. It increased to 2240 (superscore), my highest individual being 2170. My scores were R:730 M:780 W:730. I graduated from the Prep with a GPA of 3.774.

As I'm sure you can tell, I'm very excited for college. I am so very grateful for your help in getting me there. I'll be taking 4 courses my first semester: Intro to ECE, Fundamentals of Programming and CS, Calc 3, and a GER writing class with a focus in Sci-fi.

Best Wishes,
Christopher

High School Graduation

Nicole Diviny | Nazareth Academy

Nicole will be attending West Chester University in the Fall. She received the Hugh L. Carey and Catholic High School Awards along with the Dean's Scholarship and Student Success Grant from St. John's University, the University of Scranton Xavier Grant, the LaSalle University LaSallian Legacy Scholarship and Grant and the Chestnut Hill College Scholarship.

Joseph Cimino | Archbishop Wood High School

Joseph was accepted and offered academic scholarships to all three schools of his choice: Arcadia University, Stockton University and Ursinus College. Joe will be attending Arcadia University with a Distinguished Scholar scholarship. He will be majoring in Biology/Pre PT. He will also be a member of the men's soccer team as a Goal Keeper.
