ACCOMPLISHMENTS BY A FEW OF DR. PACE'S MANY REMARKABLE STUDENTS!

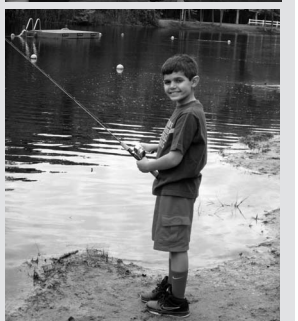

Ryan Brady | Saint Cecilia

Dr. Pace has been honored to work with Ryan Brady since he was in the 4th grade when he participated in the Whiz Kids!

Ryan was accepted into all 5 schools he applied to: Judge, Roman, Holy Ghost, LaSalle, and the Prep. He did extremely well on each of the entrance tests, receiving scores as high as 97, and was offered perks from all 5, including the President's Scholarship to Father Judge worth \$6,000 and \$5,000 to Roman Catholic. Ryan has decided to attend the Prep.

"Dr. Pace's programs have been an integral part of Ryan's success in school and on his high school entrance exams. Following his first Whiz Kids course there was a noticeable difference in Ryan's confidence with school work. The Dragon Slayer program prepared Ryan mentally, physically, emotionally and spiritually for his exams."

Christy Brady, Ryan's mom

Katie Geatens | Corpus Christi

Katie scored really high on the HSPT and was accepted Early Admission to Mount Saint Joseph, Katie's first choice school!

Thomas Combs | Saint Mary Interparochial

"Thomas' Terra Nova scores were superb. He told me and others that he thought everyone should take your course because he did so well after taking it. Thomas also told me that he thought that the Dragon Slayers program helped him feel more confident and relaxed during the exam. He has always wanted to go to Roman, so it is like a dream come true."

Colleen Seeber-Combs

Cole Welsh | Saint Cecilia

Cole will be graduating from St. Cecilia's in June 2018 and plans to attend Father Judge in the Fall. He won the Presidential Scholarship to Father Judge for \$6,000/year for 4 years, the Founders Scholarship to Roman Catholic for \$6,000/year for 4 years, and the Presidential Scholarship to Holy Ghost Prep for \$7,500/year for 4 years.

Gavin Boyle | Our Lady of Good Counsel

"The scholarship committee at Holy Ghost Prep took notice of Gavin's significant test score increase and he was offered a Lieberman Scholarship and an opportunity to be part of their Firebird First program for scholarship recipients. None of this would have been possible without you. Gavin attributes his great improvement on his entrance test to the classes he took with you."
