SPOTLIGHT ON A VERY FOCUSED 8TH GRADE STUDENT!

ISHA MANKAR

Maternity BVM

Isha Mankar caught my attention when she was beginning 7th grade because of her love of learning, her academic abilities, and because she takes her talents seriously. It is not surprising that Isha’s parents are very supportive of her. Looking for ways to enrich her education, they enrolled Isha in several of my advanced programs and registered her to take the SAT when she was in 7th grade. She performed well enough to qualify for the Johns Hopkins CTY (Talent) Program. As a result, this winter she felt ready to enroll in my Comprehensive SAT Academic & Retreat Program and then take the SAT in March. I am excited to share that, as an 8th grader, Isha’s SAT scores significantly increased to a level that would be acceptable to most colleges in the United States and qualified her for Duke’s TIP program!

Isha is thrilled to attend Nazareth Academy this fall!

“We wanted to thank you for coaching Isha. Enrolling her early in your HSPT class (beginning of 7th grade) and Grammar and Math classes (in summer of 2018) helped her to strategize and prepare for HSPT practice tests and actual placement tests in 8th grade. Isha also did well on her 7th Grade Terra Nova tests and qualified to sit for the Neumann Scholarship test. In addition to the schools listed below, Isha was accepted into Philadelphia’s Central High School and the Northeast Magnet Program.”

SPOTLIGHT ON A FEW OF DR. PACE’S AMAZING STUDENTS

MARK HARPER

George Washington High School of Engineering & Science

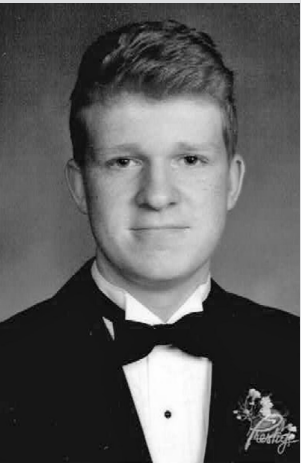

“I know Mark Harper’s family. They have been very good neighbors of mine for over 20 years, so I had the opportunity to watch Mark grow up to become a respectful, gentle, humble young man. But it wasn’t until he was a student in my SAT class that I recognized his extremely capable intellect. His focus on and grasp of the information in both English and Math was noteworthy and inspiring. I am honored to have had the chance to teach Mark and proud to say that he begins Drexel University in the fall with a \$44,000 annual scholarship. Congratulations, Mark!”

DOMINIC MARINARI

“Dominic received scholarship offers from Drexel University, LaSalle University, St Joseph’s University and University of Scranton. He has chosen St Joseph’s University, as a member of the Class of 2023. Many thanks to you for sharing your wisdom, encouragement and prayers. Your life lessons go well beyond the SAT.”
