DR. PACE'S 25-HOUR SAT® ACADEMIC + SAT® RETREAT PROGRAM: SAMPLING OF STUDENT ACHIEVEMENTS

Michelle Billy | Upper Dublin High School

Dr. Pace,
Your class was instrumental in giving Michelle the tools to succeed and to slay the SAT dragon. She learned how to approach the test psychologically and unleash the knowledge residing within her. We were referred to you by both friends and family. Michelle's uncle, Fr. Dennis Billy, suggested your program for Michelle. An educator himself, Fr. Dennis wanted Michelle to have all the tools to do well and obtain her goals. He was right: Michelle did very well and improved her score by 260 points. Michelle was accepted to the schools of her choice, including Immaculata where she will attend in the Fall as an Early Childhood Education major. Thank you again,
Phyllis and Richard Billy
