

2 MEMBERS OF OUR 2020 SPRING CORONAVIRUS TASK FORCE ARE APTLY REWARDED!

ANDRES LUGO, St. Mary School in Schwenksville

Dear Dr. Pace,

We're excited to let you know that our son Andres was one of the Neumann Scholarship winners for 2021. The Neumann Scholarship test is a very competitive examination that provides four-year scholarships to qualifying 8th grade students to attend the archdiocesan high school of their choice. Andres was one of 40 Neumann recipients selected from among a total of 459 students who took the test this year. He plans to attend Pope John

Paul II High School in Royersford, PA this fall.

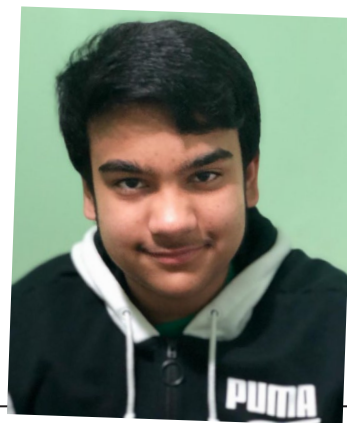

Our family truly appreciates your guidance. We believe Andres was able to apply what he learned in your classes to achieve this scholarship. We feel he had the right tools and confidence needed to do well on this type of test. Thank you again and God bless!

Sincerely, Juan Carlos & Nancy Lugo

RYAN RATHOD, Maternity BVM

Ryan Rathod was awarded a Neumann Scholarship as well as full scholarships to Father Judge and Archbishop Ryan and a half scholarship to Archbishop Wood. Ryan will be attending Archbishop Wood with his brother.

Both Andres and Ryan took the Math Gymnastics and Grammar Boot Camp Workshops, in addition to the HSPT and Slaying the Dragons of Standardized Tests Programs.

HARD-WORKING, BRIGHT, STAR STUDENTS

KYLE MARTYN, Saint Cecilia School

Dear Dr. Pace,

We cannot even begin to express our appreciation for your amazing HSPT prep course program and the many opportunities it has provided for our son Kyle, who is currently in 8th grade at Saint Cecilia School. The tools that you provided him through your well-structured course and the confidence that you instilled in him with your knowledge and experience have served him well throughout the high school entry test process. With your help, Kyle was awarded the Presidential Scholarship as well as the Joseph H. Donahue '58 Scholarship to LaSalle College High

School. He was also awarded the Xaverian Scholarship to St Joseph's Preparatory School, and the Presidential Scholarship to Father Judge High School.

We highly recommend your course for any and all students who are looking to enhance their study and test taking skills in preparation for a bright future in high school and college! Our son Cole, who is in 7th grade at Saint Cecilia School, is enrolled in your upcoming HSPT course and we are incredibly excited for the high school opportunities that await him with the exceptional tools your program provides. Thank you Dr. Pace!

- Keith and Karon Martyn

ANGELINA TANG, Maternity BVM

Hi! My name is Angelina Tang, and I am an 8th grader who attends Maternity BVM. This year, I was qualified to take the Neumann Scholarship test, and in preparation for it, I attended Dr. Pace's Online HSPT Practice Class. Although I did not receive the Neumann, Saint Hubert's awarded me a scholarship, for which I am grateful. These courses really helped me get a grip on what I was going to be doing when taking the test. Not only did they prepare me for the Neumann Scholarship, but they also helped me prepare for other HSPT tests. I found my strengths and weaknesses, so that I knew what I should prioritize in studying. Overall, these classes taught me many techniques and skills that have helped me become much more prepared for the HSPT test. Dr. Pace was also very kind and a very good teacher as she knew all the tips and tricks to help us get through the tests. She also had a sense of humor and made the classes very pleasant. I really enjoyed my time in Dr. Pace's virtual class. I'd like to give my thanks and appreciation to Dr. Pace for helping me and many others in the preparation of these tests.

ANDREW DANIELS, Saint James Regional

Dear Dr. Pace,

Our son Andrew benefited so much from your HSPT prep class! He was cool, calm and collected while sitting for the Neumann Scholarship exam and taking other high school placement exams. He was very thankful for taking your prep class as it really prepared him. Andrew applied to Monsignor Bonner and Cardinal O'Hara and he was offered academic scholarships to both! We strongly believe if he had applied to other schools, he more than likely would have received more offers! Andrew has decided he would like to be a Lion 4 Life and will be attending Cardinal O'Hara in the Fall 2021. Be on the lookout for Andrew in your future PSAT/SAT Academic programs!

KATE WALTRICH, Archbishop Wood

Dear Dr. Pace,

This is Kate Waltrich. I am not sure if you remember me, but I took an online class of yours over the summer. I just wanted to reach out and say thank you, as I have seen great improvement in myself and my test taking strategies. I now find it easier to take standardized tests, especially the English sections. As I am not the best test-taker, your course was helpful to me. I can now take tests more efficiently, and they are easier for me as well. Thank you again! Have a good day!

- Kate Waltrich

Thank you, Katie! And thank you to the entire Waltrich family.
