SAINT MARY INTERPAROCHIAL SCHOOL AT 5TH AND LOCUST STREETS IN PHILADELPHIA

Much gratitude to Principal Jeanne Meredith and the multi-talented, energetic, service-oriented Tina Kane, President of the Home & School, for inviting me to speak at Saint Mary Interparochial School. The photos are of some of the parents who attended the Home & School meeting. It was an honor for me to speak at Saint Mary!

An interesting note from the Saint Mary website: Founded in 1782 by the Jesuit fathers of old St. Joseph's Church, St. Mary is known as "The Mother School of Catholic parochial education" and is credited with influencing catholic educational patterns in this country.

Saint Mary is a **2016 NATIONAL BLUE RIBBON SCHOOL!**

TESTIMONY FOR DRAGON SLAYERS

"You cannot get this anywhere else. High stakes testing is wreaking havoc in our families and with our kids, as parents struggle to help their children prepare for the future and the children struggle not to crumble under the stress. This class has brought me closer to my son. He feels understood and empowered to succeed and I have had concrete tools and methods for helping him and his siblings added to my tool belt!"

SLAYING THE DRAGONS OF STANDARDIZED TESTS PARENT TESTIMONIES FROM SUMMER AND FALL PROGRAMS 2016

"I cannot stop telling friends, other parents, coworkers and family about how amazing this class has been for both of us. I wish it were a standard part of every Christian school's curriculum, as so many would benefit—at any age. I will definitely have my two younger daughters attend and encourage anyone I know to enroll. I would love to see this program transformed to apply to other organizations in the workplace. Thank you, Dr. Pace. God bless you and all those you teach!"

Barbara Ponnwitz with Fallon, Notre Dame de Lourdes School

"This program was very valuable in addressing the multiple facets that both positively and negatively impact test taking. All portions, both academic and holistic, were helpful. This course offered a variety of useful strategies for conquering test taking anxieties and overcoming obstacles.."

Kim Kurtz with Jacqueline, Saint Cecilia School

"Sometimes in education we forget that learning is more than just the "art of studying." Dr. Pace's course expands your thinking and pushes both the parent and the student past this one dimensional approach and taps into other important aspects of learning. As a parent, I wish I had such an opportunity as a student. I am forever grateful that my daughter had this experience."

Maura Coyle with Isabella, Philadelphia Academy Charter School

"I highly recommend this course for all students. Learning how to slay the dragons in test taking is also teaching my son how to slay dragons in life beyond high school and college. We even passed on some of these lessons to my husband, Matt's dad, as he faced a rather challenging and intimidating project at work! These are lessons for a lifetime!"

Marla Chatzistamatis with Matt, Our Lady of Calvary School

"Thoroughly enjoyed Dr. Pace's Dragon Slayers class! Wonderful to listen to her positive, faith-based optimistic plan of action to slay the dragons of standardized testing!"

Vincent Black with John and Mary, Saint Cecilia School

"I really enjoyed Dr. Pace's class. It taught me everything from eating right to real life situations. Thank you!"

Dylan Fitzgerald with his mom Brandi, Holy Family Regional Catholic School

"Dr. Pace, clearly you know what you are doing and love what you do. Thank you for these sessions of meaningful test preparation as well as mental and spiritual preparation for the stressors of the test and beyond."

Liz McClusky with Nolan, Saint Cecilia School

"Erin has learned so many things in your class. I am so thankful that you helped her where I could not. Your books and classes were amazing. They helped show me where I needed to focus my attention and what Erin needed more help with. She has been eating better, sleeping better, and praying more, believing that she will excel in the HSPT. Thank you so much and God bless you."

Julie Ciarlante with Erin, Our Lady of Calvary School

"Highly recommended, especially for students who struggle with anxiety."

Jackie Gambino with Jade, Resurrection Regional Catholic School
