

TRISTAN FERRARO

Hello, my name is Tristan. I am a recent graduate of Springside Chestnut Hill Academy. I will be attending Savannah College of Art and Design (SCAD) in the fall, majoring in 2-D animation.

I worked with Dr. Pace to prepare for my SAT's in hopes to increase my score. Doctor Pace fully prepared me. She was patient and kind and truly invested in helping students do well on the test. I was able to increase my scores and do much better than I could have imagined. Thank you, Dr Pace!

A picture is worth 1,000 words, an adage certainly true for Tristan's photo, which captures his friendly, bright disposition, and his eagerness to face the task at hand, a task that will soon become creating animation--how fun is that! Tristan was an absolute joy to teach, and I look forward to seeing his animations!
